2018 Water JPI Workshop (Vienna)

Learning from others – Working together

40 attendees from 15 initiatives

- ▶ What are the benefits?'
- ▶ How best to go about it?
- ▶ What to do different?
- ▶ What are the pitfalls to avoid?

Aims of Workshop-2

Gathering the experiences from the research performers, i.e. those participating in transnational RDI projects with an international cooperation dimension

Panel:

What should the funders of projects involving international cooperation keep in mind / address when preparing/launching Joint Transnational Calls

Breakout Groups:

- ▶ Advantages
- ▶ Common Issues
- ▶ Possible Solutions

Audience

- ▶ Researchers (H2020, COST, Water JPI)
 - ▶ France, Ireland, Germany, Moldova, Cyprus, Spain, Italy, Finland, Romania, Denmark
 - ▶ India, Vietnam, Brazil, Canada, South Africa, China
- ▶ Initiatives
 - ▶ PRIMA, Belmont Forum, Water JPI, WssTP Chine-EU Water Platform, BONUS, etc.
- ▶ RDI Projects
 - ▶ Africa, India, China, Russia, Brazil, Canada, etc.
- ▶ Network
 - ▶ e.g. Australia, Pakistan, Republic of Korea, Singapore, USA, Georgia, Jordan, Tunisia, Ukraine, Israel
