

Water JPI: Water Challenges for a Changing World

Kick-off of the 1st Water JPI
Thematic Annual Programming (TAP)
Miguel A. Gilarranz
Dublin, 12 June 2019

Joint Programming Initiatives (JPIs)

Is a way for tackling Challenges by European Member States and the European Commission, through:

- coordinating national public RDI programmes
- developing Joint multilateral activities
- aligning national research programmes
- extending links to international initiatives.
- better use of Europe's public RDI funding

10 JPIs since 2008

Water Challenges for a Changing World

Healthy and Productive Seas and Oceans

**MORE YEARS
BETTER LIVES**

More Years, Better Lives - The Potential and Challenges of Demographic Change
