

Name SURNAME: Cristina Delerue-Matos		
Function:	Full Professor	
Institution:	REQUIMTE/LAQV <input type="checkbox"/> Funding Agency <input type="checkbox"/> Programme Manager	
Email:	cmm@isep.ipp.pt	
Phone:	+ 351 228 340 537 (Ext. 1922; Office); + 351 933 427 544 (mobile)	
Division	GRAQ, Instituto Superior de Engenharia, Porto Polytechnic Institute	
Areas of Expertise:		
Domain of specialization: Analytical Chemistry, Environmental Chemistry, Electrochemistry Current research interests: Sample preparation, chromatography; remediation technologies (waters and soil); (bio)sensors		
Short Description of your Institution:		
<p>REQUIMTE is a science-driven institution focused on the development of Sustainable Chemistry. It is the largest network in Chemistry and Chemical Engineering established in Portugal and is recognized as Green Chemistry Associated Laboratory (LAQV) by the Portuguese Science and Education Ministry since November 2001. Composed by several research centers, REQUIMTE plays a pivotal role in the Portuguese academic/ scientific system in all areas related with Sustainable Chemistry.</p> <p>GRAQ is a multidisciplinary team of researchers whose mission is to contribute to the creation, application and dissemination of knowledge and to promote innovation through research in Chemical Engineering and Green Chemistry. GRAQ is integrated in REQUIMTE/LAQV.</p>		
Role in the project:		
Coordinator of the project with the responsibility of WP1 and WP7, and involved in WP2, WP3, WP5, and WP6.		

Date,
