# So, what is Joint Programming about?

- Difficult concept
- Limited expertise available

- An initiative to bring resources to
- Programme Owners and Managers

Structure of the meetings

- Opening
- Who is who
- Nature and development of the water JPI
- The Vision Document
- Setting leadership
- Contributing to the SA
- Priority enlargement (only the STB)

**Identifying partners, establishing goals, and sustaining a dialogue with the Commission**

**Multitasking with limited resources:  
Vision, maturity report, SRIA, Proposal,  
Internationalization, Calls...**

A photograph of four people standing on a snowy sidewalk in an urban setting. From left to right: a man in a dark suit and glasses, a woman in a dark puffer jacket, a woman in a purple puffer jacket, and a man in a dark jacket. They are all smiling. In the background, there are modern buildings, a black SUV with a license plate '1-TXB-65', and snow-covered bushes. The text 'Visits to Brussels to forge alliances, reaffirm partnerships in specific issues and represent Water JPI virtually everywhere...' is overlaid at the bottom in yellow.

2013 marked an inflexion point:

- WatEUr kick off, relevant documents ready
- European visibility
- Planning for funding activities

A photograph of three people standing on a bridge in a city street. On the left is a man with glasses wearing a brown trench coat. In the center is a woman with reddish hair wearing a light-colored trench coat. On the right is a woman with glasses wearing a dark red jacket and a teal scarf. They are standing on a paved walkway with a metal railing. In the background, there are multi-story buildings, a statue of a horse, and a street sign. The text is overlaid at the bottom of the image.

**The WatEUr CSA was critical for success:**

- Decentralized responsibilities
- Provided specific funding for Water JPI
- Established a community of practice

# Major accomplishments:

- A cohesive group of RFO's
- A map of Water RDI, a living document
- SRIA, internationalization, communication

- Three major Calls for proposals
- A smooth transition of governance
- Decentralized headaches

# Challenges ahead:

- Consolidation of efforts: importance of in-kind contributions
- Attaining water JPI objectives set for 2020

- The EU Framework Programme beyond Horizon 2020: Which role for JPIs?

# Challenges ahead:

## - National Programmes: Which role for JPIs?
