# Exploring opportunities for the scaling-up of the JPI activities for water challenges in Europe and beyond

28th of January - Online

A workshop of IC4WATER, CSA funded by the EC under the  
Water JPI strategic Umbrella

# Overall objective : International cooperation strategy for Water in Europe and beyond

⇒ **Building a Public – Private Partnership**

⇒ **Joint activities on the achievement of the UN SDGs**

# Objectives of today's workshop & breakout sessions

- Reinforcing collaboration with enterprises, and identifying thematic priorities to boost the participation of enterprises in Water JPI activities to bring solutions to water challenges.
- Identifying funding sources and schemes to increase activities and actions beyond Europe.
- Exploring opportunities for the enlargement of Water JPI activities through missions of expertise, advocacy, and knowledge and technology transfer.
- Enlarging the Water JPI partnership to other international partners.
